EXPERIENCE

SnappTrip, Iran, Hybrid — Senior Product Designer

Consumer e-commerce & booking platform | Aug 2024 – Aug 2026 (2 yrs 1 mo)

- Led A/B testing across acquisition and checkout surfaces (result/listing cards), achieving a 10% uplift in conversion rate through data-informed design iterations.
- Overhauled filter and discovery UX across verticals, driving a 3X increase in filter conversion rate and improving how users find and commit to inventory.
- Redesigned cancellation and post-purchase flows for flights, buses and trains, cutting support calls per ticket by 30% and improving self-service — lifting retention and trust.
- Partnered day-to-day with Product Managers, Engineering Managers and Data Analysts to turn behavioral and review signals into shipped consumer growth improvements.
- Mentored and guided a Product Designer to ensure high-quality design execution.
- Integrated AI tools into the design workflow to accelerate research synthesis, ideation, UX writing, prototyping and documentation, improving team efficiency.

Grass, USA, Remote — Senior Product Designer

Web3 and AI product | Aug 2023 - Aug 2024 (1 yr 1 mo)

- Conducted evaluative testing with 10+ participants; synthesized and designed against findings, reducing bounce rate for the primary conversion flow by 30%.
- Revamped flows and navigation, reducing misdirected customer-service queries by 30% and increasing traffic to previously neglected pages.
- Improved project delivery by 50% by establishing design operations, leading developer collaboration and applying design sprints.

MintList, Canada, Remote — Senior Product Designer

An online trading car site | Jul 2021 - Aug 2023 (2 yrs 2 mos)

- Partnered with marketing to improve the experience across email, mobile and social advertising channels, driving a 35% increase in revenue.
- Redesigned the homepage and lead-generation forms using only existing site components; reduced bounce rates by 40% and raised leads by 15%.
- Conducted 25+ user-testing focus groups, leading to 3 new product features in 6 months.
- Conceptualized, designed and developed marketing pages and custom site features, directly contributing to a 40%+ increase in revenue.

IranTalent, Iran, Hybrid — Product Designer

An online recruitment service | Aug 2019 - Jul 2021 (2 yrs)

- Increased sales by 3 times through the redesign of premium subscription features and funnels for a SaaS product.
- Achieved 50% candidates' CV completion rate by designing a gamification plan.
